

Gosfield School

Attendance Policy

(including Children Missing from Education)

At Gosfield School, we see education as a partnership between the family and the school. We are committed to providing the highest quality of education for your son/daughter, and we look to you to support this objective. All pupils are required to be in school by 8.30am, ready for registration at 8.35am.

The school day ends at 3.45pm for Years Reception to Year 13. Optional activities run from 4pm until 4.45pm from Monday to Thursday and buses depart the school at 5pm on these days. Buses depart at 4pm on a Friday.

Nursery staff run a Late Club and Prep School pupils from Reception to Year 6 can be supervised, if required, in the Nursery until 6pm from Monday to Friday. There is an additional charge for this service.

Pupils in Years R to Year 11 are not allowed to leave the site during the school day, unless accompanied by a member of staff, for a trip or visit or a sporting fixture, the dates of which will have been notified to parents in advance. Sixth form students are allowed to leave the school grounds if they have free periods, but they are expected to sign in and out at the front office.

Requests for absence must be made in writing and should reach the school preferably 5 days in advance of the planned absence (except in an emergency, when parents are asked to telephone the school before 8.30am). Requests for exceptional absence (absence for days other than medical or dental appointments) should be sent to the child's tutor or class teacher at least two weeks in advance, and will usually be referred to the Principal or Head of Prep for approval.

If your child is ill, please e-mail or telephone the school before 8.30am on the first day of absence. A letter or email should then be sent by a parent on the return of their child to school, giving a reason for the absence. We will always telephone home on the first day of any unexplained absence in order to make sure that your child is safe.

Term dates are always sent to parents more than a year in advance in order for you to arrange your holidays without disrupting your child's education. **Please note that it is the school's policy, in line with Government regulations and supported by the School's Governors, not to allow holidays to be taken during term time.**

CHILDREN MISSING FROM EDUCATION

All children, regardless of their circumstances, are entitled to an efficient, fulltime education which is suitable to their age, ability, aptitude and any special educational needs they may have.

Children missing education are children of compulsory school age who are not registered pupils at a school and are not receiving suitable education otherwise than at a school. Children missing education are at significant risk of underachieving, being victims of harm, exploitation or radicalisation, and becoming NEET (not in education, employment or training) later in life.

Effective information sharing between parents, schools and local authorities is critical to ensuring that all children of compulsory school age are safe and receiving suitable education.

As outlined under Regulation 5 within the Education (Pupil Registration) (England) (Amendment) Regulations 2016, all schools (including independent schools) must make returns to the local authority each time a pupil is **added** to the school admissions register or **deleted** from the school's register.

All schools (including independent schools) must notify their local authority when they are about to remove a pupil's name from their school admission register under any of the fifteen grounds listed under Regulation 8 of the Education (Pupil Registration) Regulations 2006. This does not apply when a pupil's name is removed from the register at standard transition points, and at Gosfield this is at the end of Year 6 and the end of Year 11. Likewise, all schools must notify the local education authority within 5 days of adding a pupil's name to the admission register at a non-standard transition point.

Gosfield School must make reasonable enquiries to establish the whereabouts of a child jointly with the local authority before deleting a pupil's name from their register.

School Responsibilities

To enter pupils on their admission register at the beginning of the first day on which the school has agreed, or been notified, that the pupil will attend the school. If a pupil fails to attend on the agreed or notified date, the school will undertake reasonable enquiries to establish the child's whereabouts and consider notifying the local authority at the earliest opportunity.

To monitor pupils' attendance through the daily register. We will inform local authorities of the details of pupils who fail to attend regularly, or have missed **10 school days** or more without permission. We monitor attendance closely and address poor or irregular attendance by working with parents and carers. In extreme cases a pupils' poor attendance will be referred to the local authority.

Where a pupil has not returned to school for **10 days** after an authorised absence or is absent from school without authorisation for **20 consecutive school days** the pupil can be removed from our admission register when the school and the local authority have failed, after jointly making reasonable enquiries, to establish the whereabouts of the child. This only applies if we do not have reasonable grounds to believe that the pupil is unable to attend because of sickness or unavoidable cause.

As an independent school we have a safeguarding duty (Part 3 of the Schedule to the Education (Independent School Standards) Regulations 2014) in respect of our pupils, and as part of this we will investigate any unexplained absences. Further information about schools' safeguarding responsibilities can be found in the *Keeping children safe in education* statutory guidance.
